Hi Cliff,

Good to hear from you, and congratulations on the birth of your grandson! You both must be delighted, and more baby-sitting for you! We are having an extremely wet rainy October, heavy thunder showers, and lots of flooding in some parts of the island.

You haven't been able to reach Louise, as they moved house during the summer, and are not fully sorted out yet computer-wise. They are using an old lap-top meanwhile, which has it's moods and won't work half of the time! They moved to a much larger house in an area called Frere Pilgrim, in Christ Church, much further inland. Cable and Wireless has not even installed their phone line yet.....this is B'dos where everything takes ages to be done!!

Have compiled our part of the family which follows, but am waiting on e-mail replies from Louise's 3 sisters with details of their grand children, which I will send on to you in due course.
